Questions arising from LIFT's Call for Proposals: Technical Capacity Building for Nutrition Programming

The deadline for written questions is on 11 December 2019. Answers are compiled and published on 13 December 2019.

1	Q1: Is there Burmese version for proposal statement?
	A1: There is no Burmese version for the proposal statement, and applications should be submitted in English language.
2	Q2: Is Chin State included in this proposal?
	A2: The technical assistance for nutrition programming is to be provided to LIFT IPs, in any area LIFT have programme and with particular focus on new Partners in conflict affected areas. Chin State is included as an area where LIFT IPs are operating.
3	Q3: In the CfP it says "costs incurred at headquarters outside Myanmar will only be considered in exceptional cases". Please can you further define what this means, and provide examples of what costs would not be accepted?
	A3: This is referring to the international organisations with HQ offices in other countries. The costs for offices rent or staff salary in HQ for example are not eligible.
