

## LIFT ANNUAL FORUM

# Building a Knowledge Platform for agriculture and Rural Development in Myanmar panel session

Ohnmar Khaing

Food Security Working Group

26 November 2014

## **Lesson learnt:**

**FSWG's Regional Satellites are effective hubs to share knowledge, coordination and policy advocacy between CSO's, as well as with local governments and others.**

# Lesson learnt:

## FSWG's process of policy dialogue

Use evidence, analysis, advocacy and partnerships to leverage policies and resources
